One door closes. A new one opens!

Doors are being installed, and with every milestone, Kawartha Art Gallery moves one step closer to welcoming the community to its new home at 19 Cambridge Street South.

This September, the Gallery looks forward to opening its doors to a space where creativity, connection, and community come together.

The countdown is on! We'll be waiting for you on the other side!

Follow us on social media and be the first to hear about our official Grand Opening announcement. Coming soon!

Feeling at Home in Downtown Lindsay

As we continue to settle into downtown Lindsay, we're incredibly grateful for the warm welcome we've received from this community.

Most recently, we were blown away by the support for our donation campaign benefiting Women's Resources of Kawartha Lakes. Thanks to the generosity of our customers and the Lindsay community, the campaign was a tremendous success. To everyone who contributed, shared their support, or helped us spread the word — thank you. Being able to support organizations doing meaningful work in the communities we serve is an important part of who we are at Sparq Retail.

Since opening our doors, we continue to see new faces coming through the store every week, and it genuinely feels like Lindsay has welcomed us into the downtown community with open arms. We've loved getting to know our neighbours, participating in local initiatives, and becoming part of everything that makes downtown Lindsay such a great place to visit and do business.

If you haven't stopped in yet, we'd love to meet you! Come visit us at 30-A Kent Street West in the heart of downtown Lindsay. Our store is bright, modern, welcoming, and well stocked, with a knowledgeable team ready to help whether you know exactly what you're looking for or simply have some questions.

Thank you, Lindsay, for your continued support. We're proud to be part of this community and can't wait to welcome even more of you through our doors!
